cows drifting toward the tractor

after meditation taking inventory of my aches & pain

cows drifting toward the tractor

after meditation taking inventory of my aches & pains

today we'll unseal the bids at the lawyer's office to see the bids on Cooter's old farm equipment

what is a jew doing here

is that a voice

a friend in the distance

practicing vision

"If you inherit one phrase, you inherit mountains and you inherit waters. You cannot be separated from this place." <279>

mars saturn antares invisible once again in the day sky
